January 1, 2018 â€" Looking back at 2017, it was a very VERY busy year. This year, not only did I release the GTTOD in Early Access, but I was also able to create a . NET Core and publish Mono. I think I have learned a lot and I have a lot to learn. I was working on a new product and then I released GTTOD in early access. After all, this game was released on September 14th and we all love it. Then I made .NET Core and Mono, and now we're looking at the future
