**Serial Number Tdu2 Test Drive Unlimited Pc**

over the next few months, we will be making improvements to test drive unlimited (tdu). in order to provide you with the best service, we need to ask you to verify your email address at the following link.

when i started test drive unlimited 2 (tdu2), i expected to play a racing game. not necessarily just racing - i had

---

heard stories that you could explore the whole of ibiza. what i didn't expect to see is playing through a first-person dream sequence at your birthday party. the strangeness continued unabated - snapping me out of the dream (and first person mode, thankfully) to my real life - as a downtrodden valet. shortly after being fired for 'dreaming on the job,' my

---

employer immediately hired me for her reality racing show, and tested me by setting a waypoint on the map and having me drive to it in a specified amount of time. when i completed this task, inexplicably she bought me a run-down trailer to live out of, sending me back into first-person mode. this was all within the first 5 minutes of the game. what did i get

---

myself into the good thing is that a big part of the reason i have this perspective is because of the way the test drive unlimited 2 community has been handling the situation over the years. the game had a rocky start, and the studios came back with a brand new game, essentially two new games. so in a way, test drive unlimited 3 was the new-game-plus of the first

---

two games. people were really understanding that, in this case, a sequel wasn't a bad thing. even when thq went bankrupt, the fans understood the business side and understood the situation. they came back with a new team and a new game, which fans were really happy about.
