the endearing sight of dory, a  
young fish who has been separated  
from her parents, along with all of  
her siblings, and sent off to live in a  
fish tank in an amusement park. as  
she wanders its serene, darkened  
halls, she starts to question her  
purpose on this planet, as her tale  
turns out to be a timeless one about  
young fish who wish they were

directed the characters from different angles. in finding nemo, the way the characters were handled in the movie was like this. here, it is like this (i hope it is understandable):)

### **Telugu Dubbed English Finding Dory English Movies**

This isn't just the story of a fish that learns there's a world above water; it's the story of a fish who learns that his own home might not be the best place to go. So he leaves it for a better one. But the irksome thing about Finding Dory is not just that this fish of a human kind desperately wants to find her mom; it's that the audience mostly wants the same thing too. In contrast to

many of his films, Finding Dory simply has something about it that is smooth and appealing. The Pixar team of animators puts enormous intelligence into its work, and they bring a lot of heart into their tasks. Instead of a simple logic problem, the little fish faces a moral dilemma, and they do so with emotions, like the rest of us.

Finding Dory is a cheerful movie, but it doesn't distract from the fact that it's about a father and son's love for each other. It's not unique in that; real parents have love as well as fear and worry about their kids. Yet Marlin and Nemo's relationship is the heart of the movie, and it's the only one in which the father overcomes the child's deficiencies. That makes it a

moving, rather than merely compassionate, film. The film released in Hindi language and other regional languages. The movie is the 3rd installment of the popular film franchise following movie Finding Dory. The story of the film is about the family of Marlin (Albert Brooks) and Nemo (Alexander Gould) who are visiting the ocean to a aquarium, where the doctor (Willem Dafoe) is practicing his profession. When they find themselves in a labyrinth, they are captured by a shark. The film finds the father-son relationship between the characters, while at the same time introducing the characters of SpongeBob, one of his friends on the occasion of his birthday.
