Selection of studies in this review was performed using the PRISMA scoping review protocol and checklist [35]. A comprehensive search of the electronic databases Embase, Medline, Scopus, and Web of Science was conducted for studies published since 1 January 2009, on using stem cell-based tissue engineering approaches to treat burn wounds in preclinical animal models.

Specific search strategies used for each database are presented in the Supplementary Information. Janssen Pharmaceutica publishes a number of peer-reviewed, open access journals.
