If you think this might not be the case for you, then you are wrong! If you think this might not be the case for someone else, then it is! If you think that this will not happen, then you are mistaken. If you think that this will not happen in your life, then it is. You cannot control it. But you can control your thoughts. And if your thoughts are positive, then this is exactly what you should be doing! I don't believe that thoughts are material.
