And click on 'Continue' to watch. You may also need to accept third-party cookies on your browser, also found in the banner at the top or bottom of the page. Welcome to TMP. You have reached a page that is no longer available. In Episode 5: "Mobility", the group is in Costa Rica and they travel by train. While on the train, the group meets a man named Michael who is blind, and all the children on the train agree to help out. In Episode 6: "Teacher" the group visits a school in Costa Rica called La Cajeria. The school is run entirely by children with physical disabilities, but the principal is very strict and does not let the children speak English for their own safety. While on the trip to the school, the group learns about the cruel death penalty that is used in Costa Rica, and a woman named Margarita who wants to bring an end to the death penalty by being the first to set the man she loves free. Hindi online free movies download - TMP It has been a lot of fun meeting all the other TMPers that have joined in with this new adventure. The gang needs a new place to call home. Description: Amazon Alexa is getting a lot more powerful, with the introduction of new voice-control features, including in-home commands for when your hands and eyes are somewhere else. Learn more about what Alexa can do and how to get started today. Alexa is coming to more devices. You'll soon be able to control more of what you use, with the addition of new home and car speakers, the Echo Sub, and a variety of devices from partners like Samsung, Sony, Sonos, and others. Learn more about Alexa's home-bridge function on supported smart lights. More ways to control Alexa. Using voice commands, you can start your morning, take your show to another room, play a song, read the news, get directions or ask questions. Your Alexa-enabled devices will learn your voice over time. Amazon is working with leading car makers to have Alexa built-in to their vehicles. You can ask Alexa, "Alexa, good morning." Alexa will hear you and respond with today's weather or traffic info, morning news headlines and the ability to play music in your car. You can even enjoy Alexa on select smart TVs and other devices. This year's
